

MORWETSANA PULE

Student | University of Pretoria

CAREER OBJECTIVE

As an aspiring software engineer with a growing interest in cybersecurity and network engineering, I have developed practical experience in application development and foundational security concepts. I am seeking an entry-level opportunity to build practical skills and continue learning across software, security and infrastructure.

EXPERIENCE

TUTOR

Tutor Doctor

Jan 2026 - Present

- Provide one-on-one tutoring across multiple academic levels (primary through university) in Mathematics, English, Financial Accounting, Economics, Information Technology, Advanced Coding, and Information Systems.

INTERN

Redshift Cybersecurity, Winnie Mandela Drive & Leslie Avenue

Nov 2025 - Dec 2025

- Completed hands-on training in cybersecurity fundamentals, including penetration testing, network security, and incident response using Kali Linux and virtualised lab environments.
- Gained exposure to red and blue team methodologies, vulnerability assessment, and basic digital forensics through guided practical exercises.

FINANCIAL ACCOUNTING TUTOR

University of Pretoria

Feb 2024 - Oct 2024

- As the tutor to modules in the accounting department, I support the lectures in successfully delivering the academic material and the students in fully understanding the material(s) provided for their learning journey.
